**A PERFECT MATCH!**

# HYMER ORIGINAL PARTS

Thank you for your interest in our range of Original Accessories for HYMER motorhomes and HYMER camper vans. One of the goals of our corporate strategy is to provide our customers with a comprehensive, top-quality service. Which is why we also think beyond the vehicle purchase itself. We offer our customers solutions with added value that combine an excellent fit with harmonious design – and always, of course, in the renowned HYMER quality.

## FORGOT TO ADD SOME OPTIONAL EXTRAS?

No problem – many optional extras are now also available as attractive retrofit packages.

## HOW CAN I ORDER?

### WHERE CAN I FIND THE FULL PRODUCT RANGE?

HYMER Original Accessories are not available direct from the factory, but are instead ordered and retrofitted exclusively via your HYMER dealer.

You can find the full range of accessories online at [www.hymer-original-zubehör.com](http://www.hymer-original-zubehör.com)

Some images may be subject to alteration. Additional costs may apply for fitting/assembly by one of our dealers. Despite careful checking of the contents, printing errors may still occur. HYMER GmbH & Co. KG reserves the right to adjust prices during the course of the year.

Original HYMER parts and accessories that are retrofitted to a vehicle affect the payload capacity and axle loads. Please note that the technically permissible maximum laden mass of the vehicle as well as the technically permissible maximum laden mass on the axle must not be exceeded even after fitting the original HYMER parts and accessories. For further information and explanations on the topic of weight, please refer to the weight information on our website.

# THE MOST VERSATILE RACK EVER.

Thanks to the innovative **HYMER Backrack+** component carrier.

Whatever you have in mind – bring all your leisure equipment with you and enjoy total flexibility on your travels. The HYMER Backrack+ is the new component carrier for HYMER camper van models based on the Fiat Ducato or Citroën Jumper. Thanks to fast assembly, a load capacity of 80 kg and versatile components, it adds a new dimension to personalised travel.

#### FURTHER HIGHLIGHTS:

- **Base support:** < 10 kg
- **Load-bearing capacity:** 80 kg
- Growing range of compatible products

#### AVAILABLE RACK ACCESSORIES

- HYMER Bike Carrier Swing (can carry up to 2 e-bikes)
- HYMER Bike Carrier Shuttle (can carry up to 2 e-bikes)
- HYMER Wheel Holder
- HYMER Mini Rack
- HYMER Number and Light Bar

” Diverse components make the **HYMER Backrack+** exactly what it is – a guarantee for undreamt-of freedom on the road. “

#### THE INDIVIDUAL COMPONENTS: PART OF SOMETHING BIG.

Whether you need to carry a spare wheel, bicycles or additional luggage – you will find a wide range of accessory components for the HYMER Backrack+ that have been perfectly developed for their respective purposes and are easy to fit. Furthermore, the tow bar and both doors remain accessible at all times for maximum efficiency and safety.

#### YOUR JOURNEY HAS JUST BEGUN.

Can't find the component you're looking for? Don't worry, additional components are already in development – to transport items as diverse as your requirements.

MORE INFORMATION ABOUT THE HYMER BACKRACK+ CAN BE FOUND HERE.

### HYMER BIKE CARRIER

With the Bike Carrier you can easily and efficiently secure up to two bicycles or e-bikes in the rear garage. The main element is the vertical support pole for the bicycle holding bracket, which is permanently installed inside the vehicle. The support pole can be individually adapted to your rear garage in just a few simple steps, making the actual loading process a breeze. The bicycles are first pushed into the front wheel-clamping brackets, at which point they can stand unsupported. This makes it easier to fasten them using the holding bracket, and means the bikes can be easily and securely fixed in place before departure. If required, the system can be expanded by one bicycle at a time – up to a maximum of four bicycles.

**NOTE:** Not available with vehicles with a queen-size bed.

#### ADDITIONAL HIGHLIGHTS:

- Very light – weighs less than 4 kg
- No fixed floor rails in the garage necessary
- No holes in the rear wall necessary (unlike with a conventional bicycle rack)
- Virtually empty rear garage when not in use; the holding bracket can be simply folded to the side
- Self-assembly possible

Article No. 3099575 – Mercedes / Citroën variant (vehicles WITHOUT a recess in the garage)

Article No. 3191648 – Fiat variant (vehicles WITH a recess in the garage)

Article No. 3120304 – Extension set for one bicycle

Article No. 3384936 – Wide wheel holder for Bike Carrier – plus-sized tyres for mountain bikes fit perfectly

### SAFE MERCEDES

With the safe for the passenger seat console for all semi-integrated models and camper vans on a Mercedes Sprinter chassis, you can rest assured that your valuables are well protected.

#### THE KEY BENEFITS AT A GLANCE:

- Space for essential items like your wallet, credit cards, jewellery, tablets (up to 10"), etc.
- 3-bolt security lock – Made in Germany
- Sturdy steel compartment
- Rattle-free – thanks to the internal design with anti-slip mats on the base and side walls
- Easy installation in a matter of minutes
- **Weight:** 2.5 kg

#### Camper Van

**Dimensions (W x H x D):** 230 x 130 x 310 mm  
Article No. 3243439

#### Semi-integrated

**Dimensions (W x H x D):** 230 x 130 x 135 mm  
Article No. 3274053

### HYMER PASSENGER DOOR SAFE FOR FIAT DUCATO

This specially developed safe is not visible from outside the vehicle and provides protection against theft thanks to its unique bolts. The safe is easily installed behind the original equipment map compartment with no awkward protruding edges. It offers enough space for all the essential items you need to bring with you on holiday, such as credit cards, mobile phones, identification documents, cash or jewellery. The lid is also in a low position with no space for leverage to protect it from being forced open. Made in Germany.

- **Material:** steel, body 2 mm, door 5 mm
- **Weight:** approx. 6 kg
- VdS-certified 3-bolt lock

#### Model year 2007 – 2019:

**Dimensions (W x H x D):** 26.5 x 21 (16) x 10.5 cm  
Article No. 2862561

#### Model year 2020 – 2021:

**Dimensions (W x H x D):** 24 x 17 (16) x 9.5 cm  
Article No. 3191310

#### Ducato Series 8 (from model year 2022):

**Dimensions (W x H x D):** 51.5 x 26 x 9.3 cm  
Article No. 3436401

# EVEN GREATER AUTONOMY WHEN TRAVELLING.

## The revolutionary HYMER Smart-Battery-System.

There's no longer any reason to leave the perfect spot too soon. Now you can enjoy extra freedom thanks to a self-sufficient, onboard power supply system. The Smart-Battery-System combines the superb performance of lithium batteries with the low costs of conventional lead batteries. The result: considerably heightened performance, a significant increase in self-sufficiency, an enormous increase in the lifespan of the entire system and lower operating costs throughout the system's service life.

**INCREASED SELF-SUFFICIENCY**

**WINTER-PROOF SYSTEM THANKS TO INTEGRATED HEATER**

**REDUCED WEIGHT WITH 20 KG SAME / INCREASED CAPACITY**

**ALLOWS MODULAR EXPANSION TO THE DESIRED CAPACITY**

**MORE INFORMATION ABOUT THE HYMER SMART-BATTERY-SYSTEM IS AVAILABLE HERE.**

### All advantages at a glance.

**Exclusive product:** Perfectly adapted for HYMER vehicles.

**Improved safety:** The HY-Tec battery is a lithium iron phosphate battery (LiFePO4). This means that overheating or combustion is not possible!

**Improved economy:** A relatively inexpensive introduction to the world of LI batteries as the existing AGM battery can continue to be used.

**Certified quality:** The HY-Tec LI battery is ECE-approved and has been tested by the TÜV for temperature fluctuations and vibrations.

**Made in Germany:** The HY-Tec LI battery is manufactured in Germany.

**3-year warranty**

### Modular system..

**Simple, step-by-step expansion** of the lithium units.

**Easily transfer** the components when changing vehicles.

To prevent total battery failure, each block functions independently. If one block is defective, the remaining blocks continue to function normally.

### Your retrofitting options at a glance.

The exclusive retrofit systems from HYMER Originals Parts let you enjoy even better performance in the future. Retrofit these systems in your vehicle quickly and easily – and enjoy your next holiday without a care in the world.

Article No. 3316921 – 2-block 50 Ah LI battery

Article No. 3316923 – 6-block 150 Ah LI battery (basic retrofit kit)  
Article No. 3316924 – 6-block 150 Ah LI battery (expansion pack)

# ROOM FOR INDIVIDUALITY.

Thanks to the range of modular accessories for the attachment rail. 

Customise the your camper van's interior to your heart's desire! The newly designed interior side wall panels are a visual highlight and feature a practical integrated rail. This allows you to adapt the walls to perfectly suit your needs. You will find the ideal attachments in the HYMER Original Parts range of accessories – see below for an excerpt of the available products.

## TABLET HOLDER

The tablet holder can be used in several places in the vehicle: in the kitchen, the seating area and in bed. Recipes, films or digital books can thus always be viewed in total comfort. The holder is suitable for tablets from 7" to 10" with a clamping length of 160 to 300 mm.

Article No.: 3444590

## UNIVERSAL TRAY

The universal tray provides additional storage for all those small items that would otherwise end up scattered throughout the vehicle. Whether in the kitchen, seating area or bathroom – an extra storage option is always a welcome addition.

Article No. 3416002

## KITCHEN ROLL HOLDER

The practical kitchen roll holder can be easily attached at the desired place in the vehicle. The elastic band automatically adjusts to the circumference of the kitchen roll and thus always ensures a firm hold.

Article No. 3444600

## HERB POT

This chic herb pot is extremely versatile. Its size makes it ideal for storing fresh kitchen herbs – so you can conjure up dishes while on the road with a freshness and flavour to rival even the best home cooking.

Article No. 3415981

## SPICE RACK

These practical jars with cork stoppers create that "van life" feeling and are perfect for coarsely ground spices and herbs. The spice rack can be hung in the right place on the wall as required and thus fits in perfectly with the other elements.

Article No. 3444598

## PICTURE CLIPS

The picture clips let you attach pictures in clearly visible locations throughout the vehicle without damaging them. You can transform your camper van into a miniature gallery in no time at all. The clips are also suitable for all manner of other documents – such as flyers, postcards or shopping lists.

Article No: 8502147 (set of three)

KITCHEN RAIL

The rail, which is factory installed in the HYMER kitchen, can be used and expanded in a variety of different ways with the following original accessories

HANGING HOOKS

With these high-quality and ultra-sturdy metal hooks you can hang your kitchen utensils such as potholders and tea towels at your desired position on the rail.

- **Contents:** set of 3 metal hooks
- **Design:** matt silver
- **Material:** metal

Article No. 3111927

PAPER TOWEL HOLDER

The paper towel holder can be flexibly mounted on the rail to ensure your kitchen roll is always close to hand. To mount, simply twist in each of the fixtures on the left and the right.

- **Length:** 29 cm
- **Material:** aluminium

Article No. 3105891

SPICE RACK

With the aid of the rubber retaining band your spices will remain securely stowed in the rack, even when the vehicle is on the move. The rack can be quickly and easily mounted by twisting both ends into the rail.

- **Design:** matt silver
- **Material:** aluminium

Article No. 3106146

COFFEE POD HOLDER

The pod holder can be adjustably mounted to the rail and provides space for up to 6 coffee pods. Of course, coffee lovers can also mount multiple pod holders side by side!

- **Material:** aluminium / plexiglass

Article No. 3106158

FELT BASKETS

Discover our unique felt baskets for the rear area of your camper van! These boxes are not only practical, but also a real eye-catcher in your vehicle. The boxes are made from high-quality felt and can accommodate clothes, towels or small accessories. In addition to the starter sets, extension sets with additional felt baskets are available.

Article No. 8502269 Starter set with hanging rail and 4 felt baskets for Fiat-based camper vans

Article No. 8502270 Starter set with hanging rail and 3 felt baskets for Mercedes-based camper vans

# DRINKING WATER – WHERE AND WHENEVER YOU NEED IT.

## HYMER clearliQ travel water filter powered by Grünbeck.

Turn your fresh water tank into a safe drinking water reservoir. The HYMER clearliQ travel water filter, powered by Grünbeck, reliably filters bacteria, chlorine and dirt (such as sand) out of tap water. It also removes any unpleasant odours, flavour components and discoloration from the water.

Help the environment by dispensing with plastic bottles. The filter has a capacity of 5,000 litres. The filter cartridge can then be conveniently replaced without tools. Replacement filters for the clearliQ travel system are available in single or double packs from your HYMER dealer.

LEARN MORE ABOUT THE HYMER CLEARLIQ TRAVEL WATER FILTER POWERED BY GRÜNBECK HERE.

# ALWAYS ON THE RIGHT TRACK. THANKS TO NAVIGATION TECHNOLOGY FROM HYMER.

While on the road, you want to avoid unwanted detours and ensure you are always in control. This is no problem thanks to the wide-ranging multimedia options from HYMER Original Parts.

DISCOVER OUR  
MULTIMEDIA WORLD.  
PERFECTLY MATCHED  
TO YOUR VEHICLE.

## HYMER DUAL-LENS REVERSING CAMERA 2.0

The HYMER dual-lens reversing camera 2.0 combines camera technology and the third brake light in one housing. The high-quality camera offers an excellent field of view – both at a distance and directly behind your vehicle.

- Perfect night vision
- Special nano-sealed lenses
- 170° field of view
- Integrated microphone as standard

Article No. 2968936

## HYMER SOUND SYSTEM

The HYMER sound system – powered by Jehnert – was specially developed for the cab of the Fiat Ducato and is optimally adapted to its layout. With optimum timbre and tuned bass, the system provides a significant upgrade for greater enjoyment of music and speech. The plug-and-play system replaces the original speakers and provides the necessary wattage via its power amplifier.

### CONTENTS:

- 2 × woofer / midrange driver
- 2 × tweeter
- Amplifier including mounting bracket
- All necessary cable harnesses
- Insulation material

### NOTE:

Cannot be installed in combination with the Fiat original radio.

Article No. 3349144

## HYMER NAVIGATION DEVICES

The HYMER navigation devices are fully equipped DAB+ infotainment systems for all motorhomes and camper vans based on a Fiat Ducato or Mercedes Sprinter chassis. They integrate perfectly into each HYMER vehicle. The devices offer certified compatibility with Apple CarPlay and Google Android for easy smartphone use in the cockpit. Thanks to FreeOn-Tour integration, your planned routes can be easily transferred to the navigation device via the FreeOn-Tour app.

- Perfect night vision
- Special nano-sealed lenses
- 170° field of view
- Integrated microphone as standard
- Optional 3-year or 7-year sat-nav map available.

### NAVIGATION DEVICE FOR MODELS BASED ON A MERCEDES CHASSIS

Only available in conjunction with MB radio preparation.

### NAVIGATION DEVICE FOR MODELS BASED ON A FIAT CHASSIS

Contact your dealer for the article number corresponding to your vehicle model.

## THE PERFECT UPGRADE: MULTIMEDIA PACKAGE INCLUDING REVERSING CAMERA

Enjoy the comfort and features of the new HYMER multimedia package, which consists of the navigation device and the corresponding reversing camera integrated in the third brake light, as well as a radio switch to operate the system without turning the ignition key.

**FOR MODELS BASED ON A MERCEDES CHASSIS

**FOR MODELS BASED ON A FIAT CHASSIS  
(including ZENEC Z-E3766)**

Contact your dealer for the article number corresponding to your vehicle model.

**HYMER E-BIKE CHARGER**  

Conveniently charge your e-bike batteries – while driving or parked up. The intelligent controller in the e-bike charger ensures that your HYMER motorhome's on-board batteries always retain sufficient residual charge. This retrofit set has been optimally adapted to the HYMER on-board technology to allow almost completely plug-and-play installation. When the engine is running or 230 V mains power is connected to the vehicle, the system operates fully automatically at the touch of a button. You only need to initiate the charging process manually when your vehicle is parked and not drawing external power. A 600 W inverter including mains priority circuit and intelligent e-bike charging control with control panel is already included in the scope of delivery. Also included is a 230 V circuit breaker (separate circuit) and all necessary plug connections.

Article No. 3350785

**HYMER PARK PILOT WITH REAR PARK ASSIST**  

Makes reverse parking much easier and helps to prevent collision damage to your motorhome. Four ultrasonic sensors detect any obstacles behind the motorhome and warn the driver via a sound signal that increases in volume. The intelligent parking system also includes a digital display (for distance measurement). It is thus optimally adapted to HYMER vehicles both visually and technically, making installation a breeze. Available for all motorhomes on a Mercedes-Benz chassis.

Contact your dealer for the article number corresponding to your vehicle model.

**HYMER MAGNETIC REFRIGERATOR FRONT**  

Give your refrigerator an attractive design and additional functionality. The design of the magnetic refrigerator front blends in perfectly with all furniture finishes and is available to match all Thetford refrigerators. Suitable for self-assembly.

The refrigerator front includes 10 magnets in the HYMER/ERIBA design.

Article No. 3349154 for large doors without recessed grip (absorption refrigerator)

Article No. 3361095 for large doors with recessed grip (compressor refrigerator)

Article No. 3356136 for small doors with recessed grip (compressor refrigerator)

**HYMER ROOF VENT** 

The HYMER roof vent measures 800 x 500 mm in the roof cut-out and can be both cranked open and tilted upwards. This achieves very good air circulation inside the vehicle. Four LED spotlights installed in the inner frame round off the design and provide atmospheric lighting. An insect screen and a combined blackout pleated blind are naturally included in the set. Optionally, the inner frame can be replaced with aluminium louvres including an insect net in a matter of seconds. This makes it possible to create beautiful lighting scenarios in the vehicle.

Article No. 8502271

Retrofit kit: panoramic roof vent 800 x 500 mm with lift and tilt function

Article No. 3537158

Aluminium louvre cassette for panoramic roof vent

**HYMER FRONT WINDSCREEN INSULATING MAT SET**  

This high-quality winter insulating mat combines outstanding durability with easy installation. This set includes the right/left piping rails for the insulating mat, as well as the cover caps.

**Outer material:** PVC with fabric inlay (no film!)

The mat material remains flexible at temperatures as low as -30°C.

**Packed size (W x H x D):** 75 x 28 x 28 cm

**Weight:** approx. 4 kg

Contact your dealer for the article number corresponding to your vehicle model.

**SUNBLIND**  

Opaque PVC-coated textile fabric – provides privacy and protection from direct sunlight and heat, while allowing an unobstructed view outside at all times. A perfect fit is guaranteed and installation is a breeze, available for integrated and semi-integrated motorhomes. For integrated vehicles, a piping rail on the right side is necessary (sold separately).

Contact your dealer for the article number corresponding to your vehicle model.

# HYMER DOG ACCESSORIES

We began with the idea of offering dog owners a range of products that are tailored to our vehicles. Then, in cooperation with the magazine Promobil, we organised a customer workshop to develop ideas and concepts. The result is our HYMER dog accessory range, for which we received the European Innovation Award.

YOU WILL FIND OUR ENTIRE PRODUCT RANGE FOR YOUR NEXT ADVENTURE WITH YOUR FOUR-LEGGED FRIEND HERE.

## HYMER DOG BED WITH COMFY CUSHION AND LEAD

Thanks to its clever design, the tailor-made dog bed can be used in two ways: in the travel position (under the table) or in the static position (in front of the passenger's seat). Your dog is always with you, yet everyone at the table enjoys plenty of legroom. The dog bed is made from hard-wearing imitation leather which is easy to clean and colour-coordinated with the vehicle's interior. The HYMER flex&leash dog lead is also included to ensure your dog is safely strapped in while travelling. The comfy cushion insert is also equipped with a non-slip underside.

- **Upper material (cushion insert):** 45% polyester, 40% polyacrylic, 15% cotton
- **Base material:** 100% felt plus white coating with PVC dots
- **Washable at:** 40°C. Hand wash only, not suitable for tumble drying
- **Weight:** 4 kg

## HYMER AWNING HOLDER WITH EYELET

The HYMER awning holder is a useful everyday aid and can be attached to any smooth surface. It is suitable for a wide range of uses, e.g. for attaching awnings or securing a pet's lead. If fitted correctly, the suction cup can be used for many days at a time without requiring re-attachment.

- Very easy to install
- Extremely high holding force of 25 kg
- 100% stainless steel – 100% water-resistant

Article No. 2684848

## HYMER RETRACTABLE STORAGE BOX

The practical storage box enables the user to comfortably remove both small and large items from the underfloor storage compartment. The storage box glides on easy-to-assemble aluminium profiles that are screwed and bonded into place inside the double floor. The storage box is sealed to prevent leakage of water.

**Material:** ABS cavity profiles, **contents:** storage box with inner anti-slip mat, square aluminium profiles including fastenings.

### For Hypermobil B-Class SupremeLine and B-Class MasterLine:

A special highlight is that the storage box can be extended in both directions. It can be moved  $\frac{2}{3}$  to the right and  $\frac{1}{3}$  to the left. This means that the storage box can be accessed from the right, left and even from inside the vehicle (by removing the floor cover).

Article No. 3271872 – **Compatible with Hypermobil B-Class SupremeLine 704 + 708 / B-Class MasterLine 780 + 790 + 880 + 890:** exterior dimensions (W × H × L): 64 × 17 × 187 cm, interior dimensions (W × H × L): 60 × 15 × 189 cm, kerb weight incl. aluminium profiles: 18 kg, payload: 35 kg

### In the Hypermobil B-Class ModernComfort:

The storage box can be extended outwards approx. 80 cm to the left. The storage box can be accessed from the left side of the vehicle and also from the interior (by removing the floor cover).

Article No. 2993942 – **Compatible with Hypermobil B-Class ModernComfort 550 + 580:** exterior dimensions (W × H × L): 24 × 14 × 145 cm, interior dimensions (W × H × L): 20 × 12 × 141 cm, kerb weight incl. aluminium profiles: approx. 8 kg, payload: 35 kg

Article No. 3188310 – **Compatible with Hypermobil B-Class ModernComfort 600:** exterior dimensions (W × H × L): 34 × 14 × 145 cm, interior dimensions (W × H × L): 30 × 12 × 141 cm, kerb weight incl. aluminium profiles: approx. 8 kg, payload: 35 kg

Article No. 2993644 – **Compatible with Hypermobil B-Class ModernComfort 680 + 690:** exterior dimensions (W × H × L): 52.5 × 14 × 145 cm, interior dimensions (W × H × L): 48.5 × 12 × 141 cm, kerb weight incl. aluminium profiles: approx. 8 kg, payload: 35 kg

## OSRAM NIGHT BREAKER LED

OSRAM NIGHT BREAKER LED bulbs ensure better visibility and thus increased safety when travelling. Compared to conventional halogen lamps, the NIGHT BREAKER provides up to 220% more brightness – and lasts up to 5 times longer. Nevertheless, the LED system is easy to replace if necessary.

Note: approved for installation in Germany, Austria, Croatia, Slovenia and France.

Article No. 3434976 – **Suitable for all Fiat Ducato motorhomes with halogen headlights and all original Mercedes Benz motorhomes with halogen headlights from model year 2018 (only possible for the low beam).**

## MORE ACCESSORIES

### HYMER ELECTRIC BLANKET

The HYMER electric blanket ensures that your bed is perfectly toasty and warm so you can enjoy a relaxing and sound night's sleep. Thanks to GS-tested quality and the automatic switchoff function after 180 minutes, you can sleep for as long as you wish without a worry in the world. The electric blanket is the perfect size to keep one person warm.

- **Temperature levels:** four levels with automatic switch-off function after 180 minutes (sleep timer)
  - **Material:** polyester
  - **Colour:** natural white (unbleached)
  - **Dimensions:** 1,550 × 600 mm
  - Extra-long, 3.5-metre connection cable
  - **Power consumption:** 4.4 A / 60 W
  - **Power connection:** 12 V
  - GS-tested quality
  - **Care instructions:** washable at 30 °C
  - Detachable controller with HYMER logo
  - **Weight:** approx. 2 kg
  - Suitable for all HYMER pop-top roofs
- Article No. 3082515

### HYMER PROTECTIVE COVERS

The original HYMER protective covers made from 100% polyester are pleasing in every detail – they provide an optimum fit, a design that matches the interior, low-friction fleece padding for easy fitting and a long lifespan thanks to particularly tightly quilted seams which are reinforced in the entrance area. With a 4 mm-thick breathable foam lining, the rear part of the covers transfers body warmth towards the back – to help you feel comfortable even on long journeys. Available in beige and graphite, machine washable at 30°C on a delicate cycle. Set includes one pair of protective covers for the driver and passenger seats, comprising separate covers for the seating surfaces and backrests (including rear pocket) and two pairs of arm-rest covers.

Contact your dealer for the article number corresponding to your vehicle model.

### HYMER CAB CARPET

The HYMER cab carpet is a perfect fit: hard wearing, easy-care polypropylene tufted velour with bonded heel protector and rubber granulate underside. Also equipped with fixing points to prevent slipping. Can be customised with a premium nubuck border and double-stitched design, and with the HYMER logo.

Contact your dealer for the article number corresponding to your vehicle model.

### HYMER LIVING AREA CARPET

Enhance the visual appeal of your living area with our light brown carpeting that is made especially for your vehicle. The material meets HYMER's high quality standards and feels pleasantly soft to the touch. At the same time, it is easy to maintain and consists of several sections for easy removal. The underside is covered with rubber granulate to prevent slipping. Available for all vehicles of the HYMER and HYMER Camper Van / HYMERCAR brands from model year 2018.

#### Weight per model range:

HYMER: approx. 10 kg, HYMER Camper Van / HYMERCAR: approx. 5 kg

Contact your dealer for the article number corresponding to your vehicle model.

### HYMER CAMPER VAN / HYMERCAR POP-TOP ROOF INSULATION

Our four-piece pop-top roof insulation developed exclusively for the HYMER Camper Van / HYMERCAR model range lets you sleep soundly in a cosy atmosphere, whilst being protected from the cold. Thanks to the sandwich construction, the pop-top roof is noticeably better insulated from the cold. The individual elements are fixed directly to the upper edges by Velcro tape (Fiat) / magnets (Mercedes) stitched onto the roof lining. The front element can be opened via two zips in order to let in light and fresh air.

**NOTE:** From model year 2023, our Fiat models will have a new pop-top roof that can be fully opened at the front.

### HYMER CAMPER VAN / HYMERCAR REAR INSULATION, FOLDABLE

Approximately 8 mm thick, this foam insulation is tailor-made for all HYMER Camper Van / HYMERCAR models. Thanks to sewn-in magnets, it creates a perfect seal against the outer contours of the vehicle based on the Fiat Ducato-chassis. The side facing the living/sleeping area is in beige polyester velour. The bottom half of the rear insulation can be folded up for easy access to the rear area. It also comes with two windows for a clear view outside. **Weight:** approx. 2 – 3 kg.

### HYMER TELESCOPIC LADDER

The HYMER telescopic ladder is the perfect addition to your pop-top roof. It allows you to comfortably access the sleeping area via the ladder's seven rungs. If the ladder is not needed, it can be retracted to a length of 750 mm and stored safely. Using the supplied Gecko feet, the ladder can also be additionally attached to the vehicle's exterior. This allows the roof to be easily reached from the outside as well.

#### TECHNICAL DATA:

- **Length (extended):** 2,100 mm
- **Maximum standing height:** 1,170 mm
- **Length (retracted):** 750 mm
- **Rungs:** 7
- **Weight:** approx. 6.5 kg

## MORE ACCESSORIES

### HYMER CHILDREN'S BED

A spare bed for all HYMER motorhomes and HYMER Camper Van / HYMERCAR models based on a Fiat or Mercedes-Benz chassis – ready to use in the blink of an eye. Additional benefits include quick and easy assembly as well as compact packing dimensions. The two wooden base boards are fitted between the seating surface and the backrest of the driver's seat, and the fold-out mattress is simply laid on top. The scope of delivery includes fitted sheets.

- **Load capacity:** 50 kg
- **Sleeping area:** 160 × 70 cm
- **Packing dimensions:** (W × H × D): 60 × 90 × 21.5 cm
- **Weight:** approx. 10 kg
- **Material (cover fabric):** 100 % polyester (washable at 30°C), filling: polyether polyurethane foam
- **Material (fitted sheet):** 47 % cotton, 47 % polyester, 6 % Lycra, colour: mottled anthracite (washable at 40°C)

Article No. 3228029 – for Fiat

Article No. 3234049 – for Mercedes from model year 2019

### HYMER MATTRESS TOPPER

Suitable for allergy sufferers, the HYMER mattress topper ensures maximum comfort while you sleep thanks to specially developed Visco foam. It is breathable and quickly absorbs moisture, transferring it to the centre layer and the sides. The foam adapts to the body's contours and distributes body weight more evenly – for improved circulation and greater comfort even when lying down for long periods. The cover is machine washable at 60°C and impresses with its modern HYMER design and soft surface, while the non-slip dimples on the underside prevent the mattress from sliding off the base.

- **Material:** (cover fabric) 61 % polyester and 39 % cotton, (filling) 100 % polyester
- **Height:** 5.5 cm (foam 4 cm + 1.5 cm padding)

Contact your dealer for the article number corresponding to your vehicle model.

### HYMER FITTED SHEETS

The made-to-measure Original HYMER fitted sheets can be recognised by their excellent fit. The material is a blend of polyester and cotton and feels pleasantly soft. Furthermore, the fitted sheets stay nice and soft and retain their shape even after regular washing. HYMER fitted sheets are machine washable at 60°C.

- **Material:** 59 % cotton, 41 % polyester; STANDARD 100 by OEKO-TEX®

Contact your dealer for the article number corresponding to your vehicle model.

### HYMER BED LINEN

Healthy sleep is one of the most fundamental human needs. By choosing HYMER bed linen from ESTELLA, you will benefit from a special, premium quality product. You are sure to be impressed by the quality of the unique maco cotton interlock jersey – just feel the difference! The key product features are: 100% super-combed Egyptian maco cotton – yarn count Nm 100/1 (100 metres of this yarn weighs just 1 gram) – feels very pleasant to the touch, noniron and dryer-proof, easy-care and dimensionally stable (no warping possible – guaranteed not to shrink after washing). In addition, the zips come with a lifetime warranty. Tested in accordance with STANDARD 100 by OEKO-TEX®.

**Test certificate:** Confidence in Textiles (constituents are free of contaminants and skin-friendly).

The exclusive design matches the colour scheme of HYMER vehicles.  
**Dimensions:** pillow 40 x 80 cm, cushion 50 x 50 cm, duvet 135 x 200 cm.  
 1 complimentary cushion cover (50 x 50 cm).

### HYMER PREMIUM PERFORMANCE DUVET AND PILLOW

The original premium performance duvet is notable for its exclusive quilting and unique border. The duvet consists of a light and airy cotton cover and high-performance textile filling. The filling fibre mix bounces back after washing so that the duvet returns to its original volume. It exhibits excellent temperature and moisture-regulating qualities and is very easy to care for. Non-bulky, it can be easily stowed away, saving on storage space. The premium pillow is made to the highest standards and has a unique three-part structure, making it especially easy to adjust to your preferred height.

**DUVET:** 135 x 200 cm

- **Cover:** back and front fine batiste 100 % finest cotton, super combed, especially long fibres, pre-shrunk
- **Filling:** technical fibres, 100 % polyester

**PILLOW:** 40 x 80 cm

- **Cover:** 100 % finest cotton, pre-shrunk
- **Filling (inside casing):** technical fibres, 100 % polyester
- **Filling (wadding):** fine, heavy-duty volume fibres, 100 % polyester, suitable for tumble drying, machine washable at up to 60°C, made in Germany
- **Weight:** duvet and pillow each approx. 1 kg
